RE: SUPPLEMENT TO THE SPECIAL REPORT ON ENROLLMENT AND GRADUATIONS IN AACN SCHOOLS (1979-80 THROUGH 1981-82)

Data on Public and Private Schools

Our Special Report in April, 1982, providing enrollment and graduation statistics, was very well received. However, a number of our members have asked for separate statistics on public, private secular and private religious schools. In response to these requests, we have prepared the attached tables, which may be considered a supplement to the Special Report.

Each of the key tables in the Special Report, Tables 1,2,5, 6,7,8,12 and 13, have been broken down into three subgroups of schools. You will find Tables 1-13 for public schools on pages 1-4, Tables 1-13 for private secular schools on pages 5-8, and Tables 1-13 for private religious schools on pages 9-12.

Please refer to the original Special Report for a discussion of the data and methods used.
